The President/General secretary,
All the affiliated units of NFI.

Sub: Nominations for State Co-ordinators.

Sir/Madam,

It is a matter of great concern that the status of Netball in India is not so satisfactory. Further to worsen the situation, NFI is not getting any Govt. aid, due to non-submission of record to MYAS even till now by the former President Mr. Gurbir Singh. However, inspite of all the challenges, NFI has successfully maintained its momentum over the last 3 years by successfully organizing the senior, junior and sub-junior national championships and participating in various international championships. But, however tough the challenges may be, we, as members of NFI family are duty bound to work for the upliftment of Netball. NFI henceforth, intends to recognize its key resources to work towards development and popularization of Netball.

You are therefore requested to nominate five dedicated persons from your state/union territory for appointment as State Co-ordinator who are constantly in touch with ground, have thorough knowledge of the game and who are available to work as per the directions of NFI and the state unit as and when required.

Best Regards,

Hariom Kaushik

Secretary General
